

THESE SIX LETTERS From New England Women

Prove that Lydia E. Pinkham's Vegetable Compound Does Restore the Health of Ailing Women.

Boston, Mass.—"I was passing through the Change of Life and suffered from hemorrhages (sometimes lasting for weeks), and could get nothing to check them. I began taking Lydia E. Pinkham's Vegetable Compound (tablet form) on Tuesday, and the following Saturday morning the hemorrhages stopped. I have taken them regularly ever since and am steadily gaining."

"I certainly think that every one who is troubled as I was should give your Compound Tablets a faithful trial, and they will find relief."—Mrs. GEORGE J. JURY, 909 Fifth Street, South Boston, Mass.

Letter from Mrs. Julia King, Phoenix, R.I.

Phoenix, R.I.—"I worked steady in the mill from the time I was 13 years old until I had been married a year, and I think that caused my bad feelings. I had soreness in my side near my left hip that went around to my back, and sometimes I would have to lie in bed for two or three days. I was not able to do my housework."

"Lydia E. Pinkham's Vegetable Compound has helped me wonderfully in every way. You may use my letter for the good of others. I am only too glad to do anything within my power to recommend your medicine."—Mrs. JULIA KING, Box 222, Phoenix, R.I.

Letter from Mrs. Etta Donovan, Willimantic, Conn.

Willimantic, Conn.—"For five years I suffered untold agony from female troubles causing backache, irregularities, dizziness, and nervous prostration. It was impossible for me to walk up stairs without stopping on the way. I was all run down in every way."

"I tried three doctors and each told me something different. I received no benefit from any of them but seemed to suffer more. The last doctor said it was no use for me to take anything as nothing would restore me to health again. So I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and by taking seven bottles of the Compound and other treatment you advised, I am restored to my natural health."—Mrs. ETTA DONOVAN, 763 Main Street, Willimantic, Conn.

Letter from Mrs. Winfield Dana, Augusta, Me.

Augusta, Me.—"Lydia E. Pinkham's Vegetable Compound has cured the backache, headache, and the bad pain I had in my right side, and I am perfectly well."—Mrs. WINFIELD DANA, R.F.D. No. 2, Augusta, Me.

Letter from Mrs. J. A. Thompson, Newport, Vt.

Newport, Vt.—"I thank you for the great benefit Lydia E. Pinkham's Vegetable Compound has done me. I took eight bottles and it did wonders for me, as I was a nervous wreck when I began taking it. I shall always speak a good word for it to my friends."—Mrs. J. A. THOMPSON, Box 2, Newport Center, Vermont.

Letter from Miss Grace Dodds, Bethlehem, N.H.

Bethlehem, N.H.—"By working very hard, sweeping carpets, washing, ironing, lifting heavy baskets of clothes, etc., I got all run down. I was sick in bed every month."

"This last spring my mother got Lydia E. Pinkham's Vegetable Compound for me, and already I feel like another girl. I am regular and do not have the pains that I did, and do not have to go to bed. I will tell all my friends what the Compound is doing for me."—Miss GRACE DODDS, Box 133, Bethlehem, N.H.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself who will not try this famous medicine, made from roots and herbs, it has restored so many suffering women to health.

Salisbury Scribbles

Our town has been full of people all week attended the court and the chautauqua.

Salisbury can boast of more nice autos than any town of its size in the state, and when they all get out on dress parade it looks like Broadway, N. Y., nearly.

Circuit court is in session here this week and our items for that reason will be brief.

S. R. Hoover has taken possession of the Democrat and will get out his first issue this week. He looks good and we feel sure he will make good as he comes well recommended. We welcome him and his family.

Tom Williams of Bartlesville, Okla. has been here this week on a visit.

U. S. Hall and Judge Lybarger, debated the single tax issue at the chautauqua Tuesday with honors about even. The town showed plainly that it was against the proposition and that

made it easier for Mr. Hall to get the glad hand.

The chautauqua closes today (Wednesday) and steps will be taken to have it come back next year but the outlook is not bright.

So far as we have heard any expression, there are no single taxers in Salisbury township. When men are called on to add to their tax bills, they do not respond readily.

Our public schools open Sept. 9 and all the children should be there. One child in school beats two on the street.

Few, if any, medicines, have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic, and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers.

How to be Certain of Curing Constipation

Justice is a hard thing to overcome, but where health is at stake and the opinion of thousands of reliable people differs from yours, you should follow the majority. This is said in the interest of people suffering from chronic constipation, and it is worthy of their attention.

In the opinion of millions of reliable Americans people the most stubborn constipation can be cured by a brief use of Dr. Caldwell's Syrup Pepsin. You may not have heard of it before, but do not doubt its merit on that account, or because it has not been extensively advertised. It has sold very successfully on word of mouth recommendation. Parents are giving it to their children under who have tried it by their parents, and it has been truthfully said that more druggists use it personally than their families than any other laxative.

Letters recently received from Mr. Geo. G. Sullivan, Jefferson, Mo., and Mrs. M. Glenn, 4219 Oak St., Kansas City, Mo., are but a few of thousands showing the action in which Dr. Caldwell's Syrup Pepsin is held. It is mild, gentle, non-gripping—yet violent, like salts or cathartics. It cures gradually and pleasantly so that in time nature again does its own work without outside aid. Constipated people owe it to themselves to use this grand bowel cleanser.

Anyone wishing to make a trial of this remedy before buying it in the regular way at a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 600 Washington St., New York, N. Y., name and address on a postal card will do.

GREAT POLITICAL EVENT

Governor's Day at Missouri State Fair.

Governor's day at the Missouri State fair, October 2, is to be the most interesting climax of all political gatherings in the history of Missouri. Three of Missouri's most prominent political leaders are to address the people from the same platform on the political issues of the day.

Jov. Herbert S. Hadley will speak on the progress of Missouri during the past decade and tell of the state's growth in agricultural development, the work accomplished by the "good roads" crusade and the achievement of other betterments of the great commonwealth.

Hon. Elliott W. Major and Hon. John C. McKinley, candidates for governor on opposing tickets, will deliver the best speeches of the campaign in behalf of their candidacies. Each is an eloquent speaker and their addresses on Governor's day will undoubtedly be masterpieces of oratory and argument.

Arrangements are being made by the directors of the state fair for ample accommodations by the railroads to handle the crowds that will visit Sedalia Wednesday October 2 to hear Governor Hadley and Messrs. Major and McKinley. Undoubtedly the appearance of three great men of Missouri on the same platform on the same day will furnish the crowning epoch of the political campaigning in Missouri this fall.

This will be the only opportunity for Missourians to see and hear Governor Hadley, Attorney General Major and Hon. John C. McKinley on the same day and hear them speak from the same platform during the present campaign. At the same time the people of the state will be given the opportunity to visit the great school of observation—the Missouri state fair, which opens September 28 and closes October 4.

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Henderson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup and is my best seller." For sale by all dealers.

Marriages

BLACKWELL-WOOD
Everett Blackwell and Miss Elsie Wood, both of Salisbury, were united in marriage in Salisbury Sunday, April 1, the ceremony being performed by Justice Mason, in the lobby of the People's Bank.

BUNDY-MCKAHOR

The marriage of Andrew T. Bundy, of Brunswick, and Miss Ida McKahor, of Mendon, was solemnized by Rev. F. G. Walther, pastor of the Lutheran church at Brunswick, the afternoon of September 4. The wedding occurred at the Lutheran church, a few relatives attending. They left for Kansas City to make their future home.

Dalton Dots

A crowd of young folks from here spent last Wednesday at the cut-off.

Mrs. W. A. Kraxberger who has been sick is improving at this writing.

Mrs. Hunefeld of Kansas City is visiting relatives and friends in our midst this week.

J. S. Littrell purchased the feed and grain elevator of McMahill & Marsh last week. We wish him success in his new business.

Several from here have been taking in the Chautauqua at Salisbury. All report the music concerts and lectures just fine.

Mrs. C. E. Broadhurst of Excelsior Springs spent Saturday and Sunday with her parents, Mr. and Mrs. C. F. Meyer.

It was quite a shock when the report spread that W. H. Grotjan had passed to the beyond last Wednesday morning. He had been quite sick for some time, yet no one believed his end so near. He reached the good old age of 58 years and several months. He leaves to mourn his death his wife, two daughters, one son and two stepdaughters. We extend sympathy to the bereaved ones.

Iridium a Rare Metal

The smooth writing qualities possessed by gold fountain pens may be attributed to the tiny bit of white metal—iridium—fastened to the tip of the pen. Iridium is an exceedingly rare metal, according to the United States Geological Survey, not more than 5,000 ounces being produced each year, of which perhaps about 500 ounces are recovered in the United States, mostly from imported platinum sand and from copper ore and bullion. The price demanded for iridium has been increasing rapidly, and in 1911 it ranged from \$60 to \$64 an ounce for pure metal.

Owing to its unique qualities, iridium finds a fairly extensive use. Most of the metal produced is probably used for hardening platinum. It is further used for various scientific and technical purposes, such as standard weights, pivots, contact points, and as previously stated, for gold pen points. Iridium black, an oxide of the metal, is highly valued as a pigment for decorating chinaware.

Will Collect Monthly

The Courier management, commencing with accounts due for the month of September and collectible October 1, will make collections of account, monthly. In this way the Courier can meet all obligations monthly and thus keep accounts up to the minute and at the same time know where they are. They believe it is good business to keep this system in operation and feel pretty sure that the business men and others will recognize this as a good move.

Ask the IHC Local Dealer to Show You

THE two features that make a separator a good investment are close skimming and durability. Easy cleaning and easy turning are important, but not as important as the power to get all the butter fat and keep on doing it for many years.

IHC cream separators make good under the most severe skimming test. Compare their construction with that of any other separator and you will see why. Extra strong shafts and spindles, spiral cut gears, phosphor bronze bushings, thorough protection against dirt or grit getting into the working parts, and perfect oiling facilities, are the features that make these separators good for long service.

IHC Cream Separators Dairymaid and Bluebell

are close skimmers and built to last, and at the same time are easy to clean and turn. The reasons are these:

Everything inside the bowl has plain, smooth surfaces to which dirt and milk do not adhere. The interior device separates cream quickly and thoroughly.

The dirt arrester chamber removes the undissolved impurities from the milk before separation begins.

Spiral cut gears, convenient crank, and thorough lubrication make these separators easy to turn.

There are many other features worth your consideration. Ask the IHC local dealer handling these machines, or, write for catalogue.

Good News For Novel Readers

When an author can get \$15,000 for the serial rights of a new novel it is safe to guess that his book is going to be an affair of national interest. This is the price which Rex Beach, author of "The Spoilers" and "The Ne'er-Do-Well," has just received for first publication of his new romance, "The Net," and the enterprising newspaper that has secured the story is THE CHICAGO

RECORD-HERALD. "The Net" is described as a thrilling novel of love, mystery and adventure dealing with the murderous deeds of the Italian "Black Hand" in the United States. Mr. Beach himself says it is the best he ever wrote. "The Net" is to be published exclusively in THE CHICAGO RECORD-HERALD, beginning next Sunday. It will be an event for all story lovers.
